Hyperboloid Contacts and Connectors

Advantages:

VLIF – Very low insertion force
Shock proof contacts & connectors
Low Contact Resistance
100,000 + mating cycles
High Power Contacts – 300+ Amps

Connector Families

.100" pitch .50" offset
low profile (of HGM)
.075" pitch, 4,6,8 row
.075" pitch, 2,3 row
.100" X .100"

Hi-Speed cPCI/VPX

.050" pitch, 2 row

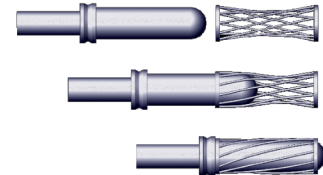

Hybrid connector, #8 - #28 contacts

Mil QPL

MIL-DTL-55302

Mil P/Ns

M55302

Capabilities & Services

Exceptional sales support and
customer service,
Quality stocking and shipping
department,
Technical support services,
Printing & kitting services,
Government Packaging,
Value added services

Aircraft & Commercial Enterprises

Identification & Labeling, Tapes,
Wire Harness Protection, Tools,
Wire & Cable, Interconnect Devices,
Connectors & Backshells,
Shrink Tubing, Fasteners & Bundling

Designer and manufacturer of electronic
components & interconnect solutions.

Capability: Machining, Molding, Stamping,
Assembly, Coil Winding, Toolroom, Prototype
& Design Assistance, IPC610 Soldering.

Electro Mechanical Products

Sockets, Contacts and Connector Pins,
Shorting Links, Spring Loaded Contacts and
Connector Assemblies (Including custom
design), Polygon Pins and Wire Wrap
Terminals, Insulated and Non-insulated
Terminals, Hardware & Accessories, Relay
Bases and Adapters, Cable Assemblies,
Custom RF Connectors and Filtered Terminals.

Inductive Products

Air Coils, Variable Coils, Common Mode
Chokes, Toroidals, Wire Wound Chips,
Drum Cores, RFIDs, Transformers and
Custom Assemblies

Custom, High-Performance, RF Cable
Assemblies

AS9100 revision C, ISO9001, IPC
610/620, ITAR Registration

Backshells

Circular, Rectangular,
Bulkhead, Super Short
Circular, Shorting Cap,
Integrated Strain Relief,
RJ45, Splice Kit

Connector Covers

Springs

ISOTDS Series (M32628/01)

Benefits

No tools required
No solder sleeves
100% field repairable

Mil/Industrial Circular Connectors, Power
Distribution Boxes and Cable Assemblies

Connector Families

5015 Series I, II, Reverse Bayonet
26482 Series I
22992 Class L, QWLD

Mil QPL

MIL-DTL-5015, MIL-DTL-26482,
MIL-DTL-22992

Mil P/Ns

MS310*, MS311*, MS9055*

Micro and Nano-D Connectors and
Assemblies

Connector Families

Micro-D Connectors
Nano Connectors
High Temp Connectors – 200C
Multi Connector Harnesses

Low Profile Connectors
Hybrid Power Connectors
Non Magnetic Connectors
PEEK Circular Micro Connectors
Custom Designed Connectors
